

Subject:	GOALS
Section:	PPG# 5000
Chapter:	Non-service Operations
Effective Date:	7/1/98

POLICY

Goals

In order for the residents and properties to obtain the maximum benefits from their fire service program, the district must provide support services. Property records and their management and risk management are critical to effective and efficient management. As a public body, the board is committed to upholding high standards in order to maintain the highest integrity for the fire protection district.
