## **1.0 POLICY**

---

- 1.1** No person without an appropriate state license may make a public display of fireworks. For purposes of this policy, “public display of fireworks” means an entertainment feature where the public is admitted to view the display or discharge of any fireworks primarily for exhibition display by producing visible or audible effects, including, but not limited to: skyrockets, missile-type rockets, firecrackers, salutes and chasers. Any person desiring to put on a public display must obtain a permit from the county fire marshal. The applicant for a permit must provide the fire department with a copy of the permit.
